

National Disaster Risk Management Fund
A company set up under section 42 of the Companies Act, 2017
Making Pakistan Resilient

EXPRESSIONS OF INTEREST
Hiring of Individual Consultants

Country: Islamic Republic of Pakistan
Project Name: Pakistan Hydromet and Climate Services Project (PHCSP)
Implementing Agency: National Disaster Risk Management Fund
Credit No: IDA: 6246- PAK
Project ID No: P163924

The **Government of Pakistan** has obtained a “**Credit**” from the International Development Association (IDA) towards the cost of Pakistan Hydromet and Climate Services Project and intends to apply part of the proceeds of this credit to payments for following “**National Individual Consultants’ Services**”, to be procured under this project. The Project aims at strengthening delivery of reliable and timely, climate and hydro-meteorological services besides enhancing community resilience to shocks. Shocks include socio-economic disruptions caused to communities by climate risks, health emergencies, food security and natural disasters.

National Disaster Risk Management Fund now invites eligible individuals to indicate their interest in providing the services. Interested consultants must provide detailed CVs indicating that they are qualified to perform the services. The Consultants shall be engaged on per month remuneration basis till the period ended on 31st December, 2024:
