

NATIONAL DISASTER RISK MANAGEMENT FUND
FINANCIAL STATEMENTS
FOR THE YEAR ENDED
JUNE 30, 2021

A.F. FERGUSON & CO.

November 4, 2021
406

The Board of Directors
National Disaster Risk Management Fund (the Company)
Islamabad

Dear Sirs

FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2021

We enclose six copies of the above referred financial statements of the Company together with our draft audit report thereon initialed by us for identification purposes. We shall be pleased to sign our report in present or amended form after:

- a) the Company's above referred financial statements have been approved by the Board of Directors (the Board) and signed by the Chief Executive Officer and a Director authorized by the Board in this behalf;
- b) we have seen the Board's specific approval for the items listed in Annexure to this letter;
- c) we have reviewed the Company's statement of compliance with the code of public sector entities;
- d) we have received satisfactory response to our request for direct confirmation to the National Disaster Management Authority (NDMA);
- e) we have received a representation letter on the lines of enclosed draft, duly signed by the Chief Executive Officer and Chief Financial Officer of the Company; and
- f) we have received other information to be included in the report, if any, for our verification as required by ISA 720, "Other information in the documents containing audited financial statements".

2. RESPONSIBILITIES OF THE AUDITORS AND THE MANAGEMENT IN RELATION TO THE FINANCIAL STATEMENTS

The responsibilities of the independent auditors, in a usual examination of financial statements, are explained in the International Standard on Auditing – 200 "Overall Objectives of the Independent Auditor and Conduct of an Audit in Accordance with International Standards on Auditing". While the auditors are responsible for forming and expressing their opinion on the financial statements, the responsibility for preparation of the financial statements is primarily that of the Company's management. The management's responsibilities include the maintenance of adequate accounting records and internal controls, the selection and application of accounting policies, safeguarding the assets of the Company and prevention and detection of frauds and

A. F. FERGUSON & CO., Chartered Accountants, a member firm of the PwC network
74-East, 2nd Floor, Blue Area, Jinnah Avenue, P.O.Box 3021, Islamabad-44000, Pakistan
Tel: +92 (51) 2273457-60/2604934-37; Fax: +92 (51) 2277924, 2206473; < www.pwc.com/pk >

irregularities. The audit of financial statements does not relieve the management of its responsibilities. Accordingly, our examination of the books of accounts and records should not be relied upon to disclose all the errors or irregularities in relation to the financial statements.

3. EMPLOYEES CONTRIBUTORY PROVIDENT FUND

We noted that the Employees Contributory Provident Fund (the Fund) maintained by the Company for benefit of its employees is not currently recognized under the sixth schedule of the Income Tax Ordinance, 2001 (the Ordinance). The related recognition would not only entail the members of Fund to avail tax concessions available under the Ordinance but would also help avoid unnecessary deduction of withholding tax for the Fund under various provisions of the Ordinance. We recommend that efforts be made for obtaining necessary approval / recognition of the Fund for tax purposes and in the meanwhile tax incidence as attracted upon final settlements of leavers be cautiously considered, and complied as per the related provisions of the Ordinance.

4. GRANT IMPLEMENTATION AGREEMENTS

4.1 We noted that certain grant implementation agreements entered into by the Company do not outline the detailed documentation requirements that may be maintained by the grantee organization for the purpose of governance, implementation and utilization of Funds mandated to them by the Company against each budget line item spent by them.

4.2 Grant implementation agreements entered into by the Company with Fund Implementing Partners (FIPs) specify that quarterly progress report shall be furnished by the respective FIP to the Company within 5 days of the end of the period to be covered in the report. However, we noted various delays in submission of the progress reports to the Company.

4.3 Programme expenditure for 'Pakistan National Emergency and Response Plan for COVID-19' was carried out by NDMA and in relation to that, an expense amount of Rs 4,810.653 million has been reported in the current year which was not captured earlier per the Company's financial reporting parameters.

As management's controls and processes are involved in relation to the reporting by various sub recipients / FIPs etc., which impacts the disclosure and recognition / measurement of amounts in the Company's financial statements, thus we recommend that related matters be internally deliberated, compliance terms specified to concerned sub recipients / FIPs along timely follow up and steps taken to guard appropriateness in reporting of amounts / disclosures impacting Company's financial statements.

5. INCOME TAX REFUNDABLE

The Company has carried a cumulative income tax refund of Rs 24 million as at June 30, 2021 which pertains to prior years. In this respect, we have been apprised that the Company has filed the applications for refund of income tax with the department of Inland

Revenue but the same are pending for disposal. We recommend that refund applications be appropriately followed for their disposal within the timelines prescribed in the statute and thereafter, the likelihood of recoverability or utilization of tax refunds be assessed. Further, adjustments, if any required, be incorporated in the books of account accordingly.

6. RENEWAL OF LICENSE AND LOAN AGREEMENTS

The Company's license to operate, under section 42 of the Companies Act, 2017 will expire on December 18, 2021. Further, the close date of certain loan and grant agreements with Asian Development Bank is November 31, 2021. We recommend that related matters be followed for timely renewals as to ensure the smooth continuity of the operations of the Company.

7. We wish to place on record our appreciation for the courtesy and cooperation extended to us by all the concerned during the course of the audit.

Yours truly

A handwritten signature in dark ink, appearing to read "A.F. Ferguson", is written over the typed name "A.F. Ferguson". The signature is fluid and cursive.

INDEPENDENT AUDITOR'S REPORT

To the members of National Disaster Risk Management Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of National Disaster Risk Management Fund (the Company), which comprise the statement of financial position as at June 30, 2021, and the statement of comprehensive income, the statement of changes in net assets, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of comprehensive income, the statement of changes in net assets and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2021 and of the surplus and other comprehensive income, the changes in net assets and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the director's report but does not include the financial statements of the Company and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

* KARACHI * LAHORE * ISLAMABAD

If based on the work we have performed, on other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of comprehensive income, the statement of changes in net assets and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Mr. JehanZeb Amin.

NATIONAL DISASTER RISK MANAGEMENT FUND
(A Company under section 42 of Companies Act, 2017)
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2021

1 LEGAL STATUS AND OPERATIONS

National Disaster Risk Management Fund (the Company) was incorporated on December 22, 2016 under Section 42 of the Companies Ordinance, 1984 (repealed by the Companies Act, 2017) as a public limited company not having a share capital. The Company was issued license under Section 42 of the Companies Ordinance, 1984, by the Securities and Exchange Commission of Pakistan (SECP) on December 19, 2016 initially for a period of five years and is renewable for further terms per procedure. The aforesaid license term will expire on December 18, 2021. The management is confident that it will be able to secure the renewal in normal course and it would not cast any material uncertainty in respect of going concern. The registered office of the Company is located at 5th Floor, EOBI House, Mauve Area, G-10/4, Islamabad.

The objective of the Company is to enhance Pakistan's resilience, strengthen the technical and financial capacity of the Government of Pakistan (GoP) and to reduce socio-economic and fiscal vulnerability of the Islamic Republic of Pakistan to climate and other natural hazards and disasters. The main sources of receipts of the Company are grants from Government of Pakistan disbursed out of loan from Asian Development Bank (ADB), International Development Association (IDA), Agence Française de Développement (AFD), grant of Australian Government and Swiss Agency for Development and Cooperation (SDC).

2 BASIS OF PREPARATION

(i) Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The approved accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS Standards) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Accounting standards for Not for Profit Organisations (Accounting Standards for NPOs) issued by the Institute of Chartered Accountants of Pakistan as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under Companies Act, 2017 differ from the IFRS Standards or the Accounting Standard for NPOs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

(ii) Critical accounting estimates and judgements

The preparation of these financial statements in conformity with approved accounting standards requires the use of certain accounting estimates. It also requires management to exercise judgment in the process of applying the Company's accounting policies.

Estimates and judgments are continually evaluated and are based on historic experience, including expectations of future events that are believed to be reasonable under the circumstances. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are as follows:

- | | | |
|-----|--|----------|
| (a) | Property and equipment - estimated useful life | (Note 5) |
| (b) | Right of use asset and corresponding lease liability | (Note 5) |
| (c) | Intangible assets - estimated useful life | (Note 6) |

Signature

3 ADOPTION OF NEW AND REVISED STANDARDS AND INTERPRETATIONS

- 3.1 Standards, amendments and interpretations to existing standards that are not yet effective and have not been adopted early by the Company:

		Effective date (annual reporting periods beginning on or after)
IAS 1	Presentation of Financial Statements (Amendments)	January 1, 2023
IAS 8	Accounting Policies, Changes in Accounting Estimates and Errors (Amendments)	January 1, 2023
IAS 12	Income Taxes (Amendments)	January 1, 2023
IAS 16	Property, Plant and Equipment (Amendments)	January 1, 2022
IAS 37	Provisions, Contingent Liabilities and Contingent Assets (Amendments)	January 1, 2022
IFRS 3	Business Combinations (Amendments)	January 1, 2022
IFRS 7	Financial Instruments Disclosures (Amendments)	January 1, 2021
IFRS 9	Financial Instruments (Amendments)	January 1, 2021
IFRS 16	Leases (Amendments)	January 1, 2021

The management anticipates that the adoption of the above standards, amendments and interpretations in future periods, will have no material impact on the financial statements other than on presentation / disclosures.

Further, the following new standards and interpretations have been issued by the International Accounting Standards Board (IASB), which are yet to be notified by the Securities and Exchange Commission of Pakistan, for the purpose of their applicability in Pakistan:

IFRS 1	First-time Adoption of International Financial Reporting Standards
IFRS 17	Insurance Contracts

The following interpretation issued by IASB has been waived off by the SECP:

IFRIC 12	Service concession arrangements
----------	---------------------------------

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 Property and equipment

These are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation on property and equipment is calculated, using the straight line method, to allocate their cost over their estimated useful lives, at the rates mentioned in note 5. The Company charges depreciation on all additions to the items of property and equipment from the date asset is available for use till the date of its disposal. Where an impairment loss is recognized, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value, over its estimated useful life.

Subsequent costs, if reliably measurable, are included in the asset's carrying amount, or recognized as a separate asset as appropriate, only when it is probable that future economic benefits associated with the cost will flow to the Company. The carrying amount of any replaced parts as well as other repair and maintenance costs, are charged to income during the period in which they are incurred.

Useful lives are determined by the management based on the expected usage of an asset, expected physical wear and tear, technical and commercial obsolescence, legal and similar limits on the use of assets and other similar factors.

The gain or loss on disposal of an asset, calculated as the difference between the sale proceeds and the carrying amount of the asset, is recognized in the income for the year.

SARFARAZ

4.2 Right of use (ROU) assets

The Company recognises a right-of-use asset, if the agreement has non-cancellable term of more than 12 months, at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the basis of term of the lease agreement in accordance with the principles of IFRS 16. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

4.3 Capital work-in-progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. It consists of expenditure incurred and advances made in respect of operating fixed assets and intangible assets in the course of their acquisition, construction and installation.

4.4 Intangible assets

These are carried at cost less accumulated amortisation and impairment losses, if any. Amortisation is calculated using the straight line method, to allocate the cost of the intangibles over its estimated useful life, at the rates mentioned in note 6. Costs associated with maintaining intangible assets, are recognised as an expense as and when incurred. The Company charges amortization on additions from the date the asset becomes available for the intended use up to the date when it is derecognized.

4.5 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of cash flows, cash and cash equivalents comprise cash in hand, bank balances and other short-term highly liquid investments (if any) with original maturities of three months or less.

4.6 Deferred capital grant

Grants related to property and equipment and intangible assets are accounted for by setting up the grants as deferred grant. These grants are recognized as income on a systematic basis over the useful life of the related property and equipment and intangible assets.

4.7 Lease liabilities

At inception of a contract, the Company assesses whether a contract is, or contains, a lease based on whether the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions.

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Company.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

The Company determines the incremental borrowing rate, where possible, by using recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received and makes adjustments specific to the lease, e.g. term, country, currency and security.

007721

Lease payments in the measurement of the lease liabilities comprise the following:

- a) fixed payments, including in-substance fixed payments;
- b) variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- c) amounts expected to be payable under a residual value guarantee; and
- d) the exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liabilities are subsequently measured at amortised cost using the effective interest rate method. They are remeasured when there is a change in future lease payments arising from a change in fixed lease payments or an index or rate, change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. The corresponding adjustment is made to the carrying amount of the right-to-use asset, or is recorded in profit and loss if the carrying amount of right-to-use asset has been reduced to zero.

Payments associated with short-term leases of equipment and vehicles and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

4.8 Accrued and other liabilities

Accrued and other liabilities are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Company.

4.9 Restricted fund

Restricted fund received for specific purpose are deferred when received and charged to income to the extent of actual expenditure incurred. Expenditure incurred against grant committed but not received is accrued and recognised in income and is reflected as grant receivable. Unspent portion of such grants are reflected as restricted grants in the statement of financial position. Endowment fund represents contribution subject to restriction specifying that resources contributed be maintained permanently and the returns thereon can be utilized to meet the core objectives of the Company by transfer to restricted fund. The Company has adopted deferral method of accounting for recognition of contribution as specified under accounting standards for NPOs issued by ICAP and restricted fund is separately presented in the statement of financial position along liabilities.

4.10 Income recognition

Income is recognised on accrual basis. Profit/markup on loans and bank accounts are recognised using the effective yield method.

Donation is recognized when there is reasonable assurance that the Company will comply with the conditions precedent to the grant and it will be received. Grant is recognized as income over such period as is necessary to match it with the related expenditure, on a systematic basis.

4.11 Expenditure

Expenses that are incurred in the normal operations of the Company are classified as operational support expenditure. The expenses that relate to a specific project are recognised as programme expenditure, whether incurred by the Company or Fund Implementing Partners (FIPs).

22726

4.12 Employee's benefits

Defined contribution plan

The Company operates an approved contributory provident fund for permanent employees. Equal monthly contribution is made by both the Company and the employee to the fund as per Company's policy.

All the investments out of the Provident Fund have been made in accordance with the provisions of section 218 of the Companies Act, 2017 and the conditions specified thereunder.

Compensated absences

The Company accounts for compensated absences on the basis of the unavailed earned leave balances of each employee, at the end of the year, based on the last drawn salary.

4.13 Taxation

In accordance with the provisions of clause 66 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, any income derived by the Company is exempt from tax. Further, the Company is also exempt from minimum tax under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. Accordingly, no provision for taxation has been made in the financial statements. Income tax suffered at source is recognised as income tax refundable.

4.14 Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (the functional currency). These financial statements are presented in Pakistan Rupees (Rs), which is the Company's functional and presentation currency.

4.15 Financial Instruments - Initial recognition and subsequent measurement

Initial recognition

All financial assets and liabilities are initially measured at cost which is the fair value of the consideration given or received. These are subsequently measured at fair value or amortised cost as the case may be.

Classification of financial assets

The Company classifies its financial instruments in the following categories:

- at fair value through profit or loss ("FVTPL"),
- at fair value through other comprehensive income ("FVTOCI"), or
- at amortised cost.

The Company determines the classification of financial assets at initial recognition. The classification of instruments (other than equity instruments) is driven by the Company's business model for managing the financial assets and their contractual cash flow characteristics.

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at FVTOCI:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

SAJAL

By default, all other financial assets are subsequently measured at FVTPL.

The Company classifies its financial liabilities in the following categories:

- at fair value through profit and loss ("FVTPL"), or
- at amortised cost.

Financial liabilities are measured at amortised cost, unless they are required to be measured at FVTPL (such as instruments held for trading or derivatives) or the Company has opted to measure them at FVTPL.

Subsequent measurement

(i) Financial assets at FVTOCI

Investments elected to be as equity instruments at FVTOCI are initially recognized at fair value plus transaction costs. Subsequently, they are measured at fair value, with gains or losses arising from changes in fair value recognised in other comprehensive income / (loss).

(ii) Financial assets and liabilities at amortised cost

Financial assets and liabilities at amortised cost are initially recognised at fair value, and subsequently carried at amortised cost, and in the case of financial assets, less any impairment.

(iii) Financial assets and liabilities at FVTPL

Financial assets and liabilities carried at FVTPL are initially recorded at fair value and transaction costs are expensed in the statement of income and expenditure and other comprehensive income. Realised and unrealised gains and losses arising from changes in the fair value of the financial assets and liabilities held at FVTPL are included in the statement of income and expenditure and other comprehensive income in the period in which they arise.

Where management has opted to recognise a financial liability at FVTPL, any changes associated with the Company's own credit risk will be recognized in other comprehensive income/(loss). Currently, there are no financial liabilities designated at FVTPL.

Impairment of financial assets

IFRS 9 introduces the Expected Credit Loss (ECL) model, which requires the Company to recognize an allowance for doubtful debt on all financial assets carried at amortized cost, since initial recognition, irrespective whether a loss event has occurred. The Company has not created any loss allowance for doubtful debts.

Derecognition of financial assets and liabilities

(i) Financial assets

The Company derecognises financial assets only when the contractual rights to cash flows from the financial assets expire or when it transfers the financial assets and substantially all the associated risks and rewards of ownership to another entity. On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying value and the sum of the consideration received and receivable is recognised in statement of income and expenditure. In addition, on derecognition of an investment in a debt instrument classified as FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is reclassified to statement of income and expenditure. In contrast, on derecognition of an investment in equity instrument which the Company has elected on initial recognition to measure at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is not reclassified to statement of income and expenditure, but is transferred to statement of changes in equity.

SAT

(ii) Financial Liabilities

The Company derecognises financial liabilities only when its obligations under the financial liabilities are discharged, cancelled or expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in the statement of income and expenditure and other comprehensive income.

4.16 Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and the net amount is reported in the statement of financial position if the Company has legally enforceable right to set-off the recognised amounts and the Company intends to settle on a net basis or realise the asset and settle the liability simultaneously. Legally enforceable right must not be contingent on future events and must be enforceable in normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counter party.

4.17 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market is accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Chief Financial Officer determines the policies and procedures for both recurring fair value measurement and for non-recurring measurement. External valuers may be involved for valuation of significant assets and significant liabilities. For the purpose of fair value disclosures, the Company determines classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

16.1 The Government of Pakistan (GoP), borrower and the Asian Development Bank (ADB) have entered into following financing agreements:

- (i) The Loan Agreement (Ordinary Operations) Number 3473-Pak, dated December 2, 2016 for US \$ 75 million. The proceeds of the loan are to be utilized towards: (a) the establishment and operationalization of the Company through the establishment of an endowment fund and development of its operational procedures and rules, including due diligence and fiduciary arrangements; (b) financing by the Company to Qualified Subprojects through grants. The loan carries the interest in accordance with the terms defined in Section 2.0 of the Agreement and is repayable in 40 semi-annual installments commencing from April 1, 2022 and ending October 1, 2041. The loan close date was initially May 17, 2020 which was extended till November 30, 2021 by ADB through letter dated June 26, 2020.

Signature

- (ii) The Loan Agreement (Special Operations) Number 3474-Pak, dated December 2, 2016 for SDR 90.180 million. The proceeds of the loan are to be utilized towards the establishment of an endowment fund (SDR 72.144 million) and financing of expenditures on the project including project consultants. The loan carries the interest in accordance with the terms defined in Section 2.0 of the Agreement and is repayable in 40 semi-annual installments commencing from April 1, 2022 and ending October 1, 2041. The loan close date was initially May 17, 2020 which was extended till November 30, 2021 by ADB through letter dated June 26, 2020.
- (iii) The Grant Agreement, Number 0519-Pak (EF) dated December 2, 2016 for A\$ 4.500 million. The proceeds of the grant are to be utilized for financing of expenditure on the project and other areas as defined under Section 3 of the Grant Agreement. The Grant closing date was May 17, 2020. The Company has applied for extension during the year.
- (iv) The Grant Agreement, Number 0639-Pak (EF) dated March 22, 2019 for \$ 1.500 million. The proceeds of the grant are to be utilized for financing of expenditure on the project and other areas as defined under Section 3 of the Grant Agreement. The loan close date was initially May 17, 2020 which has now been extended till November 30, 2021 by ADB through letter dated December 6, 2019.

In pursuant to the above financing agreements, the GoP has entered into a Subsidiary Grant Agreement dated December 23, 2016 with the Company. The GoP has agreed to make available to Company, grant in an equivalent of US\$ 75 million from Loan 3473-Pak, SDR 90.180 million from Loan 3474-Pak(SF), US\$ 3,361.5 million from Grant 0519-Pak (EF) and \$ 1.5 million from Grant 0639-Pak (EF) for the purpose set out in Section III of the Subsidiary Grant Agreement. All foreign funds received under the agreements are disbursed to the Company in Pak Rupees.

- 16.2 The Government of Pakistan (GoP), borrower and the International Development Association (IDA) have entered into a financing agreement, Credit Number 6426-PK, dated May 22, 2020 for SDR 129.4 million. The proceeds of the loan are to be utilized towards the financing of expenditures on the project, the objective of which is to strengthen the delivery of reliable and timely climate and hydro-meteorological services and enhance community resilience to shocks. The loan carries the interest in accordance with the terms defined in Section 2.0 of the Agreement and is repayable in 50 semi-annual installments commencing from July 1, 2023 and ending January 1, 2048. In pursuant to the above financing agreement, the GoP has entered into a Subsidiary Grant Agreement dated June 1, 2020 with the Company and agreed to entrust the management of the foregoing amount and implementation of the project to the Company.
- 16.3 The Government of Pakistan (GoP), borrower and the Agence Française de Développement (AFD) entered into a financing agreement, the Credit Facility agreement No. CPK 1036 01 V, dated July 20, 2017 for EURO 75 million. Upon the request of GoP, AFD via an amendment to the original agreement agreed to divert the undisbursed funds of the facility amounting EURO 18 million for financing the "Assistance to Fight COVID-19 Pandemic". The loan carries the interest in accordance with the terms defined in Section 2.0 of the Agreement and is repayable in 23 semi-annual installments commencing from February 1, 2021 and ending February 1, 2032.

17 CONTINGENCIES AND COMMITMENTS

17.1 Contingencies

There are no known material contingencies as at reporting year end (2020: Rs Nil).

SAJID

17.2 Commitments

The Company enters into agreements with FIPs for disbursement of amounts / funds that are conditional to the performance of the FIPs delivering the project and fulfilling the desired results. The Company is bound to pay the FIPs, if they are able to deliver the desired results and/or able to liquidate the advance as per satisfaction of the Company. The conditions are mentioned in the agreements and the Company reserves the right to terminate the agreement as per the related contractual clauses. The undisbursed amount of fund / grant as at year end in respect of the various FIPs is set out below:

Counterparties without external credit ratings					
Long term security deposits				6,073	7,757

21.3 Financial risk management

The Company has exposure to the following risks from its use of financial instruments:

- credit risk
- liquidity risk
- market risk (including currency risk and interest rate risk)

The Company's overall risk management policy focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the Company's financial performance.

Signature

Credit risk

Credit risk is the risk of financial loss to the Company if a counter-party to a financial instrument fails to meet its contractual obligations. The Company's credit risk is primarily attributable to its long term security deposits, balances at bank and short term investment. The maximum exposure to credit risk at the reporting date is as follows:

	2021	2020
	----- Rupees in 000 -----	
Long term security deposits	6,073	7,757
Accrued interest	524,480	1,220,084
Short-term investment	13,561,092	11,740,279
Cash and bank balances	6,016,945	2,757,482
	<u>20,108,590</u>	<u>15,725,602</u>

Security deposits are not significant to the financial statements. The carrying amount of financial assets representing the maximum credit exposure at the reporting date are disclosed in note 21.1. The credit risk related to balances with banks, in term deposits and savings accounts, is managed in accordance with the Company's policy of placing funds with approved financial institutions and within the limits assigned in accordance with the counter party risk policy. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through potential counter party failure. Bank balances are subject to impairment requirements of IFRS 9, the identified impairment loss was immaterial because the counterparty is a bank with reasonably high credit rating. The credit quality of bank balances, that are neither past due nor impaired, can be assessed by reference to external credit ratings (if available) or to historical information about counterparty default rate. Credit ratings and exposure of bank balances with the counterparty are appearing in note 21.2.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to manage liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The table below analyses the Company's financial liabilities into relevant maturity groupings based on the remaining period at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows:

	Carrying value	Contractual cash flows		
		Within 1 year	1 to 5 years	More than 5 years
		----- Rupees in 000 -----		
June 30, 2021				
Accrued and other liabilities	3,136	3,136	-	-
Lease liabilities	52,300	26,791	31,084	-
	<u>55,436</u>	<u>29,927</u>	<u>31,084</u>	<u>-</u>
June 30, 2020				
Accrued and other liabilities	1,841	1,841	-	-
Lease liabilities	98,203	32,426	94,711	-
	<u>100,044</u>	<u>34,267</u>	<u>94,711</u>	<u>-</u>

Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. The Company is not exposed to currency and interest rate risk.

Signature

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Currency risk arises mainly from future commercial transactions or receivables and payables that exist due to transactions in foreign currencies. The Company is not exposed to currency risk arising from various currency exposures.

Interest rate risk

Interest rate risk represents the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to any significant interest rate risk.

Financial assets include balances of Rs 13,636,620 thousand (2020: Rs 11,838,576 thousand) and financial liabilities include Rs 52,300 thousand (2020: Rs 98,203) which are subject to interest rate risk. Applicable interest rates have been indicated in respective notes.

If the interest rate had been 1% higher / lower with all other variables held constant, surplus / loss for the year would have been higher / lower by Rs 135,843 thousand (2020: Rs 117,404 thousand).

Fair value of financial assets and liabilities

Fair value of all financial assets and liabilities, reflected in the financial statements, approximate their carrying values.

Capital risk management

The Company's objectives when managing capital is to safeguard the Company's ability to continue as a going concern so that it can achieve its primary objectives, provide benefits for other stakeholders and to maintain a strong capital base to support the sustained development of its businesses in line with the objects of the Company.

Off-setting of financial assets and liabilities

The Company does not off-set any of its financial assets and liabilities.

22 REMUNERATION OF DIRECTORS, CHIEF EXECUTIVE AND EXECUTIVES

25 IMPACT OF COVID - 19 ON THE FINANCIAL STATEMENTS

The spread of COVID - 19 as a pandemic and consequently imposition of lock down by Federal and Provincial Governments of Pakistan (Authorities) caused an overall economic slow down and disruption to various businesses. However, the operations are resuming as per relaxation given by the Authorities and steps taken by the Authorities including efforts to get vaccination of larger segment of population. Accordingly, as of the date of these financial statements, management believes there do not exist any particular material adverse impact to the Company's financial conditions and results of its operations. Management will continue to monitor the potential impact and will take all steps possible to mitigate any effects.

26 GENERAL
